- _____ **Begin the rule-making process for possible revision.** (Applies only when the Department has received a petition to revise a rule.)

Explanation of recommendation: Provide a brief summary of any changes you've identified/recommended earlier in this review document. If this recommendation differs from that of the previous review, explain the basis for this difference. If recommending that the rule be amended, be sure to note whether the basis for the recommendation is to:

- Correct inaccurate tax-reporting information now found in the current rule;
- Incorporate legislation;
- Consolidate information now available in other documents (e.g., ETAs, WTDs, court decisions); or
- Address issues not otherwise addressed in other documents (e.g., ETAs, WTDs, court decisions).

The previous recommendation was to consolidate these rules into one and to bring the rule up-to-date so that it reflects the current text of the relevant statutes. This recommendation is still valid. I concur with this recommendation.
